Manufacturing Career Pathways Event to Highlight Opportunities for Young Adults

Young adults are invited to attend a Manufacturing Career Pathways event to learn about professional training opportunities, get career advice and learn more about the employment outlook for jobs in manufacturing.

The Idaho Department of Labor is holding this event at 2 p.m. Wednesday, April 4, at Plexus Manufacturing Solutions, 16399 N. Franklin Blvd. in Nampa. The free event is open to all individuals interested in learning about careers in manufacturing, but space is limited so attendees are required to RSVP.

Manufacturing is one of the fastest-growing industries in Idaho with 734 current job openings statewide and 14,992 projected job openings by 2024.

For more information, or to RSVP, please contact Maria Garcia, (208) 364-7781 ext. 3248 maria.garcia@labor.idaho.gov or Jose De Leon, (208) 364-7781 ext. 3620 Jose.DeLeon@labor.idaho.gov.

Customers with disabilities who need a reasonable accommodation to participate can contact Bob Vetter at (208) 364-7781, ext. 3193. To access the Idaho Relay Service for the deaf and hard of hearing, dial 711.
