

**IDAPA Rule added to I.C. §72-1351**

**IDAPA 09.01.35**

**11.GENERAL PROVISIONS.**

10.a.Common paymaster arrangements as referenced by Internal Revenue Code Section 3306 are prohibited for Idaho unemployment insurance purposes. Each covered employer shall complete and submit an Idaho business registration form and the Department will assign to the covered employer a unique unemployment insurance account number. The covered employer must file quarterly reports under its assigned unemployment insurance account number. The workers of one (1) covered employer may not be reported using the assigned unemployment insurance account number of a different covered employer or related entity. Ref. Sections 72-1325 and 72-1315, Idaho Code.
