Change to WIOAB 01-22 & WIOAB 01-22 Change 1:

The Workforce Development Council (WDC) has notified the IDOL/Administrative Entity that Idaho LAUNCH funding for PY22 has been fully obligated.

WIOA staff should utilize the WIOA Title I-B programs (Adult, Dislocated Worker, and Youth) and the Eligible Training Provider List (ETPL) to fund any necessary training services for those eligible for and enrolled in WIOA. This is a reversal of the previous policy presented in WIOAB 01-22.

Participants who applied for LAUNCH funding before 4/29/23 may continue to be evaluated for LAUNCH assistance.

The WDC will issue additional guidance for the LAUNCH training program before the start of PY23. Refer to the Idaho LAUNCH website for additional details: <https://idaholaunch.com/>
