

**WIOAB 02-22**

**DATE:** July 20, 2022  
**TO:** All WIOA Youth Program Providers  
**FROM:** Summer MacDonald *Summer MacDonald*  
Program Manager  
**SUBJECT:** Youth Exit Questions in IdahoWorks – Repeal of WIOAB 06-21

The issue that prevented youth Exit Questions from appearing in *IdahoWorks* has been resolved. Effective immediately, youth career planners must disregard the guidance issued in WIOAB 6-21.

Upon completion of youth program services, career planners must enter into *IdahoWorks* the required Follow-up Service (99) with the status In-Progress. The Expected End Date should be set 12 months in the future. The In-Progress status will no longer prevent access to the Exit Questions, and career planners should enter the information immediately. Upon the expiration of the 12-month follow-up period, career planners must enter the Actual End Date of the 99 service.
