SUBJECT: Metro and Non-Metro Income Guidelines

On June 12, 2023, WIOAB 11-22 *WIOA PY2023 Low-Income and 155% LLSIL Guidelines* was issued and listed 12 counties under the Metro criteria. Based on updated information received from the Idaho Department of Labor's Research and Analysis Bureau, the Administrative Entity reviewed all the counties in Idaho and noted that seven additional counties fell under the Metro classification, while two counties originally listed no longer met those criteria. These revisions have been made to the guidelines and are effective as of October 5, 2023.

The following seven (7) counties have been **added** to the Metro list:

- Butte
- Elmore
- Fremont
- Jerome
- Latah
- Madison
- Twin Falls

The following two (2) counties have been **removed** from the Metro list:

- Franklin
- Power

This change does not affect any WIOA participants currently enrolled in the program. However, please review the updated Metro & Non-Metro tables on the IdahoWorks resources page and apply these updated guidelines to new enrollments. The metro and non-metro counties have also been updated within IdahoWorks to reflect this change.

If you have any questions, please contact the WIOA/TAA mailbox.
