SUBJECT: Allocation of PY2021 WIOA Adult and Dislocated Worker Advance funds (FY 2021) and PY2020 Recapture funds

With the WIOA financial closeout process now complete for PY2020, Local Area recapture funds for PY2020 and PY2021 Local Area budget set asides have been determined and applied, as established by the Workforce Development Council, along with and Local Administrative Entity funding.

Below is a breakdown of each service delivery area’s share of WIOA Adult and Dislocated Worker October allocations, along with any applicable Local Area recapture funding. The funds noted in the table below will be officially incorporated into providers’ initial October agreements. These will be followed with a modification that will closeout previous Adult and Dislocated Worker agreements to account for any carry-in, tentatively expected to be available on November 1.
