

**DATE:** October 18, 2022 **WIOAB 05-22**  
**TO:** All WIOA Youth Program Providers  
**FROM:** Summer MacDonald, Program Manager *Summer MacDonald*  
**SUBJECT:** Youth Exit Questions in IdahoWorks – Rescission of WIOAB 02-22

WIOA Youth Follow-up Services are required for twelve months after no future services are planned for a Youth. This is a federal requirement regardless of whether the youth had a positive program exit.

After all planned program services have been closed, the career planner must enter the youth into a Follow-Up service. If no other service is provided to the youth for 90 days, IdahoWorks will trigger the exit date and allow the youth's exit questions to appear. At this point, the career planner must return to the exit screen and answer the exit questions.

The guidance issued in WIOAB 02-22 is rescinded.
