

WIOAB 10-20

DATE: May 25, 2021
TO: All WIOA Local Areas
FROM: Danilo Cabrera *Danilo Cabrera*
SUBJECT: Information Notice – WIOA Formula Allocations – PY2021

The Workforce Innovation and Opportunity Act (WIOA) formula fund allocations for each Local Workforce Development Area (Local Areas), for the Youth, Adult, and Dislocated Worker (DW) funding streams for Program Year (PY) 2021, have been released. These allocations are based on the allotments issued by the U.S. Department of Labor (DOL) to the states (refer to DOL Training and Employment Guidance Letter (TEGL) 19-20, dated April 27, 2021).

The WIOA prescribes a specific method to calculate sub-state hold harmless levels for Youth, Adult, and DW Program funds. As a result, there is an alignment in the WIOA hold harmless provisions across the Youth, Adult, and DW programs. These hold harmless provisions were established to help mitigate year-to-year volatility in funding levels. Under the WIOA, hold harmless provisions ensure that each area receives no less than 90 percent of their average percentage share from the two prior years.

Please be aware that this notice is being issued for planning and budgeting purposes only because the state has not yet received the federal Notice of Award (NOA) for any of the funding streams. Once the NOA has been received, Youth allocations will be released to Local Areas immediately. Youth allotments to the states will be issued in one sum effective April 1, 2021. The Adult and DW allocations will be released as soon as we receive federal and state spending authority for these funds.

The allotment to Idaho and the amounts available for the formula allocation to the local areas are listed below. Attachment A-1 reflects the total amount local areas will receive for each funding stream during the PY2021. Additionally, Attachment A-2 summarizes how each of the three funding streams is allocated. Allocations to service delivery areas will be determined after the local board has reviewed and approved PY202 set-asides for board-approved activities.
