

**WIOAB 11-19**

**DATE:** March 27, 2020  
**TO:** All WIOA Subrecipients  
**FROM:** Danilo Cabrera, Workforce Programs Manager  
**SUBJECT:** Training Milestone Measurable Skills Gain and Youth work based services

**Supersedes:** WIOAB 8-19

Training Milestone Measurable Skill Gain (MSG) change per USDOL guidance 20 CFR 200.328(b)(1) and TEGL 10-16

**Change from WIOAB 8-19:**

**Adult and Dislocated Worker Training Millstone Measurable Skill Gain**

Enrolled Adult and Dislocated Workers participating in an OJT, Apprenticeship, Work experience, internship or ITA are eligible for the Training Milestone Measureable Skill Gain.

**Youth Training Milestone Measurable Skill Gain**

Enrolled Youth participants in a Post-Secondary training program with an ITA or apprenticeships are eligible for the Training Milestone Measurable Skill Gain.

**Note on Youth Work based services**

Only youth apprenticeships are eligible for a Measurable Skills Gain. All other work based services are **not** eligible for Measurable Skills Gain.

Previous guidance concerning secondary transcript, post-secondary transcript, education functioning level, skills progression and diploma/equivalent Measurable Skill Gains remain the same.

**Determining completion:**

Career planners will determine the appropriate time-frame, skill gains, or steps to complete the OJT, apprenticeship or ITA training for successful achievement of the Measurable Skill Gain detailed in participants Individual Service Strategy (ISS).

**Examples of Training Milestone Measurable Skill Gains achievements:**

Note: Not an exhaustive list.

- Completion of OJT (Adult/ DW only)
- Completion of 1 year as an apprentice (Adult/ DW / Youth)
- Increase in pay rate (Adult/ DW only)
- Mastery of specific job skills (Adult/ DW only)
- Progress report from an ITA training provider (Adult/ DW / Youth)
