Administrative Services Division
SUBJECT: Incarcerated Veterans Transition Program (IVTP) grant

The IDOL Veterans program has received a new grant called the Incarcerated Veterans Transition Program (IVTP) grant. The grant will allow DVOPs and LVERs to work together to help ease the transition from incarceration to employment for qualified veterans. Your DVOPs will be enrolling eligible veterans in the program and can provide services such as training, supportive services and some work-based learning services using the grant funds. In some cases, a dual enrollment in WIOA will be the best fit for these veterans. Please work closely with your DVOPs and LVERs to co-enroll when appropriate.

This is a new opportunity for Idaho and grants administration anticipates that there will be some additional details to work out, especially in the case of co-enrollment. To provide additional information and answer questions we will hold a conference call on 9/18/18 at 11:00 am.

If you have any questions please contact William Reed at Ext. 3339
